| <p align="center"><i>A Beautiful You, Inside &amp; Out –</i></p>  <p>“A workshop on self-confidence, self-esteem and all that affects this in a young girl’s life. Girls get ideas on how to feel great by evaluating their life on the outside and on the inside. We look at daily grooming, Bible reading, proper diet and exercise and more.”</p> | <p align="center"><i>The Total Image Makeover –</i></p>  <p>“In a world where they say, “Image is everything”, girls need to know what their true image is and where it should be found, in Christ. They also however, want to put their best foot forward in this world so this lesson centers on proper posture, a graceful walk, our Christian walk, a facial, a makeover and more!”</p> |
| <p align="center"><i>Speaking UP with Confidence –</i></p>  <p>“Public speaking is the #1 fear of many people. Girls today need to know when the right time to speak up is and how to do it properly. This workshop focuses on public speaking, phone etiquette, social manners, communication with your Heavenly Father and more!”</p>            | <p align="center"><i>Dining Like a Princess –</i></p>  <p>“Two forks, two spoons, slurping or sipping, so many things to know and learn about dining like a princess. This lesson will have you eating and drinking gracefully. The final class so this will also be a celebration with “tea and crumpets” of course.”</p>  |
